Lisa Pollard is a trained Yoga & meditation Teacher with more than 34 years of self-practice and teaching experience, in educational, corporate, medical and organisational settings. She has been facilitating 8-week mindfulness-based interventions since 2007, including MBSR, MB-Stillness Meditation and MB-Restorative Yoga.

Lisa has been teaching Yoga in the Hunter Region since 2004. Lisa feels Yoga is an embodied organic practice which explores the interconnectedness of movement and stillness, in the spirit of self-care.

Her openhearted approach to teaching creates a warm inviting space to discover the joys of these mind-body practices.

Lisa is particularly interested in effects of restorative yoga and its application in supporting wellness and reducing stress and anxiety. She teaches weekly yoga and meditation classes and has a private practice working therapeutically with adults. Lisa predominantly works with practitioners with severe PTSD from the frontline. This work includes 8-week interventions, individual self-practice, yoga mentoring and consulting. Lisa has trained in the applications of mindfulness meditation in clinical settings, including MiCBT and Advanced training in ACT. Lisa has co-facilitated various Yoga & Mindfulness Retreats in and around the Newcastle area and overseas.

Lisa has completed extensive training in Yoga, meditation & mindfulness and is extremely grateful for many wise teachers from various traditions that have nourished her life. She enjoys sharing these teachings with the community and is passionate about finding a balance between being & doing .

Lisa is also a visual artist, who has been exhibiting her paintings since 2000, she loves photography, travel and surfing. Lisa has two children and enjoys living in the community of Newcastle.

2009 Donna Farhi - Spinal Integration Workshop, 5 Day Workshop, The anatomy, kinesiology and functional movement of the spine, learning how to practice Yoga postures with greater efficiency and thus less strain on the back. Focusing intently on the correct transmission of force through the sacro-iliac joint and how to both prevent and alleviate discomfort in the lower back and pelvis. Sydney

2009 Donna Farhi, 5-Day Intensive, Opening to Insight. A special feature of this intensive, learning to perceive the state of the koshas or sheaths. Perceiving how we are on all levels of our embodiment and learning to adapt the content, structure and sequencing of our daily practice so that our Yoga practice remains relevant to our personal needs. Sydney

2010 Donna Farhi: 3 day workshop, Centering...Moving from the Deep naval Centre, Containment & Contentment...Exploring the Inner world of the Organ Body & Moving Outside the Square...Twists, side bends and Spirals, Newcastle

2010 Donna Farhi: Cohesion: Stability as a Source of Equanimity, 5-day workshop, Sydney. Central theme of this workshop, mobilising inherently stable structures in the body such as the

upper back, while strengthening vulnerable structures such as the lower back and neck to prevent injury. Sydney, NSW Australia

2010 Donna Farhi: 3 day workshop, Moving from the deep naval Centre; developing energetic connections throughout the body, to establish a strong yet mobile core. Containment & Contentment; finding an easeful relationship between the inner contents of the chest and outer musculoskeletal container. Moving outside the square; Twists, side bends and spirals-safe increased range of movement, Sydney

2010 Dr Robert Svoboda, 3 Day Course, Ayurveda: Rasayana, Replenish our Life's Juices, An Ayurvedic Approach to Modern Chronic Conditions & Ayurveda for Women's Health, Sydney

2011 Dr Rick Hanson, two day experiential workshop, Sydney; Deepening Equanimity • The Neuropsychology of Inner Peace & The Neuro Dharma of Love and Power - Practical Tools for Empathy, Kindness, and Assertiveness, Sydney

2013 Donna Farhi, The Heart Aroused, 5 day intensive, Reconnecting with our inner wilderness territory; using the practice of Yoga to bring clarity & courage to the journey. A special emphasis of this intensive will be on learning to open to our physical body as well as

energetically, emotionally, & spiritually. A special feature of this intensive will be an anatomical exploration of the heart, lungs and chest, using the truth of our anatomy and kinetic imagery as a means to have a direct experience of this often unexplored inner territory. We will also investigate finding a cohesive relationship between the anchoring ballast of the pelvis and the buoyant levity of the chest. As we find this physical balance we create a stable foundation from which to stretch & expand into new dimensions in our life. Sydney

2014 Judith Hanson Lasater, learning how to go deeper in our yoga practice," One True Thing". Four Day non-residential workshop, Sydney
